

## 5.2 Bakestall 5

Images from the walk to the waymarker tree.

Enter into the ravine of Dead Beck – which AW describes as a “a rough and rocky gutter” – to see rowan randomly scattered throughout the upper and lower levels.

The cave is marked on AW's map, but discretely concealed on the ground – its whereabouts only known to those who have searched sufficiently.

Rowan – the unobtrusive provider of sustenance and shelter for all animal and bird life on the fell.
